

Ramblewood Estates Recreation Association, Inc.  
2024 **Resident** Pool Membership Enrollment Announcement

January 23, 2024

Dear Ramblewood Estates Homeowner,

We are just a few short months from the opening of our neighborhood pool. As a homeowner in Ramblewood Estates, you are entitled to membership and are encouraged to participate in the recreation facility.

The board is hard at work each year getting more homeowners involved in the recreation facility and actively seeking ways to make our neighborhood an even better place to live. Keeping the pool in operation is integral to that sense of community and we are pleased that in the past few years the membership has grown. In fact, last year we were at maximum capacity, and we expect the membership to fill up again this year. As a result of the maximum capacity the HOA is in a better position to maintain and improve the recreation facility to better serve your family 's recreational needs.

**Ramblewood Pool Opening date is Memorial Day Weekend- Saturday May 25, 2024**

Returning members in all categories (resident, non-resident and legacy) are given preference before new non-resident members are allowed to apply. As a benefit for Ramblewood Estates residents, the board has opened a special application period for returning and new Ramblewood Estates residents. So, if you have an interest in enrolling in or renewing your pool membership this year, you must submit your completed application (address is listed on the application) along with all applicable annual association fees and pool membership fees by May 15, 2024. You may also pay online at [www.ramblewoodjackson.com](http://www.ramblewoodjackson.com). In lieu of making the entire swimming membership payment all at once, you may instead pay the annual association fee, and a \$100 nonrefundable swimming membership deposit by March 31<sup>st</sup>. The balance is due on or before May 15, 2024.

The pool membership enrollment timeline for accepting applications is as follows:

Ramblewood Estates Residents	Now thru March 31
Non-Resident Returning Members	April 1 thru May 1
*Open enrollment	May 4 until all memberships are sold

**After May 4 and until the last available membership is sold, enrollment will be open on a first come, first served basis.**

**\*Open Enrollment is dependent on space available**
